PERFORMANCE SYSTEMS INTEGRATION

Thank you for choosing Performance Systems Integration (PSI). We offer a full line of LSX/LT1 and GM Overdrive Transmission parts for your conversion needs. We have attempted to provide you with as accurate instructions as possible, and are always concerned about corrections or improvements that can be made. If you have found any errors or omissions, or if you simply have comments or suggestions concerning these instructions, please write us at the address on the cover and let us know about them. Or, better yet, send us an e-mail at INFO@PSIConversion.com. Once again, thank you for choosing PSI!

PERFORMANCE SYSTEMS INTEGRATION LIMITED WARRANTY AND RETURN POLICY

All products manufactured and/or sold by **Performance Systems Integration (PSI)** are warranted to the original purchaser to be free from defects in material and workmanship under normal use. **PSI** will repair or replace defective products without charge during the first 12 months from the purchase date. No products will be considered for warranty without a copy of the purchase receipt showing the sellers name, address and date of purchase. The buyer is responsible for returning the product to **PSI** to initiate the warranty procedures. If defects occurred under what **PSI** deems to be normal use, product will be returned free of charge.

Performance Systems Integration shall in no event be liable in contract or tort (including negligence) for special, indirect, incidental, or consequential damages, such as but not limited to, loss of property damage, or any other damages, costs or expenses which might be claimed as the result of the use or failure of the goods sold hereby, except only the cost of repair or replacement.

PSI harnesses are built with the highest regard to quality control, and all products are 100% quality inspected. **Before contacting us**, please double check all connections and perform normal basic trouble shooting (fuel pressure, timing, ignition system, etc.).
